JAMES F. M'BRYDE NEW COMMANDER LOCAL LEGION

Glendale Post Has Election
of Officers; Banquet to Be
Held January 21

James F. M'Bryde, well known local attorney and lodge man, was chosen last night as commander of the Glendale Post No. 127, American Legion, his tenure of office to hold throughout the year 1922. Mr. M'Bryde was elected from a large field of candidates and was given an overwhelming majority. The other candidates for the chief executive station of the Post were A. Houston Jones, Chalmers Day, C. B. Guthrie and W. B. Kelly, the latter declining the nomination at the last minute.

Chalmers Day, who has been acting as temporary chaplain of the organization for the past four months, was unanimously elected first vice commander, following the formal withdrawal of Dr. G. Kaemmerling and J. H. Whitmeyer.

Jesse Flower, 1921 treasurer of the post, was elected second vice commander from a field consisting of A. Houston Jones, Ray Morrow and himself. W. B. Kelly, who had previously been nominated, withdrew his name prior to the election.

Other Officers Chosen
Joe Wilson, adjutant of the 1920 organization and last year's member of the executive committee, was selected as adjutant for 1922. The position of adjutant, which corresponds to that of secretary in many organizations, is next in importance to that of commander.

Following the withdrawal of Gordon Clayton's name from the ballot Wilbur Lee was chosen as secretary over Verne Nym. This is Mr. Lee's initial office holding position in the post.

The sergeant-at-arms honors, which were sought by five candidates, were conferred upon Clarence Edwards. The "also rans" included Ralph E. Dodsworth, J. H. Whitmeyer, H. M. McGillis and Henry Prussing.

Rev. C. M. Calderwood, pastor of the First Congregational church of this city, was unanimously elected historian, following the withdrawal

Edwin Murphy Home Scene of Jolly Party

Mr. and Mrs. G. Edwin Murphy of 509 West Lexington Drive entertained a group of fourteen friends at a very jolly party at their home last night. Games and contests were enjoyed during the evening. Prize for the contest game was awarded to the side captained by Leslie Percy, and consisted of an ice-cream soda and a piece. The other side was captained by Mrs. Ellis Thomas. Bunco, Animals and Pig were among the other games played. At the close of the evening refreshments were served.

The guests included Mr. and Mrs. Ellis Thomas, Miss Lavera Kitterman, Vern Wilson, Leslie Percy, Miss Lois Percy, Miss Eleanor Perkins, Miss Dora Wainwright, Wilbur Perkins, Gideon Ramseyer, Frank Butterfield, Miss Lois Murphy, Mr. and Mrs. Leslie Percy.

Japanese-American Society Meets Tonight

The Japanese-American Society of Glendale will hold a regular program beginning at 7:30 tonight in the Tropico Presbyterian church.

Rev. O'Gawa, pastor of the Union Japanese church of Los Angeles, and Rev. Louis Tinning, assistant pastor of the First Presbyterian church, will make the addresses of the evening. Y. Gotow of 214 West Park avenue will offer a prayer for harmony between the Orient and Occident and his daughter, Miss June Gotow, will follow with a solo. Miss Ada Taylor, 216 West Palmer street, will sing and Mrs. Robert P. Jodon, 133 South Kenwood street, and Mrs. Floyd Mercer, 319 North Jackson street, will entertain with a solo. This program is under the auspices of the ladies of the Christian church.

Total Rainfall for the Season Is 15.78 Inches

Rainfall last night amounted to .24 of an inch according to the gauge of H. E. Bartlett at 417 West Myrtle street. This brings the season's total to 15.78 inches. At this date, last season the figures were 2.81 inches.

HERE FROM NORTH DAKOTA

Mrs. Curt Follman and daughters, Ellen and Helen of York, North Dakota, arrived in Glendale several days ago and are guests at the home of Mrs. Follman's parents, Mr. and Mrs. H. L. Hock of 610 Orange Grove avenue. The visitors arrived in Southern California two weeks ago, but were forced to stay in Los Angeles until the Hock home was placed out of quarantine. Little Helen Hock, who was confined for several weeks with a severe attack of diphtheria, is rapidly recovering from her illness, having returned to her studies at school this week.

W. C. T. U. Observes Seventeenth Birthday at T. L. Brown Home

A large and interesting gathering was present at the seventeenth anniversary of the organization of the Glendale W. C. T. U., which was fittingly observed at the spacious home of Mrs. T. L. Brown, 213 North Louise street, yesterday afternoon. The pretty bungalow was artistically decorated with potted plants, greenery and Scotch heather. Owing to the illness of the president, Mrs. Ruby J. Smart, Mrs. Edith Dockery, vice-president, presided.

The opening song "Work for Evermore Where You Are" was most enthusiastically rendered by those present. Mrs. C. A. Brandstater had charge of the devotionals and selected a number of scripture texts from "Psalms" and expounded each one. As it was the beginning of the new year "Resolutions" was the main thought of the several texts, which inculcated self sacrifice, righteousness, obedience to parents, and many other valuable attributes. Mrs. Marie M. Yeoman, county president, was special guest and offered an inspiring prayer. Mrs. Edith Dockery, accompanied at the piano by Mrs. W. J. Johnson, favored the company with an appropriate solo and graciously responded to an encore.

This was followed by the regular routine of business. Mrs. Dockery gave an excellent report on the open forum meeting of the Tuesday Afternoon club, to which the members of the W. C. T. U. were invited, and at which the principal speaker was Judge Summerfield of Los Angeles on "Uniform Marriage and Divorce Laws."

Rev. Mrs. F. E. Logie sang "The Soldier's Campfire Song," accompanied at the piano by Miss Netta Campbell. Miss Zorra Glasco, masquerading as a reading girl, recited "Who's the Rob-o-link Said." A varied and unique program was then conducted along the lines of an "experience" meeting, each one telling when they joined the organization and what benefits they had received since becoming members.

The W. C. T. U. is stated, is the largest organization of women in the world. Those present related some of the experiences in the early history, its trials, hardships, benefits and blessings and mastery to crowning success in having been a powerful factor in securing the eighteenth amendment to the constitution. Mrs. L. E. Brown of Sycamore Canyon was the only charter member present.

Mrs. Marie M. Yeoman, county president, who is a veteran in the work for the cause, in telling of her experiences stated that she had joined the organization when a young woman and attributed her success in every way to her training in W. C. T. U. At the close of the meeting a social hour was enjoyed, during which tea and cakes were served.

Boys at Thornycroft Are Well Entertained

A very interesting entertainment was given Wednesday night for the disabled veterans at Thornycroft Sanitarium by a group of talented entertainers under the direction of George Larkin, many of whom are residents of Glendale. The program included the following numbers: Dialect readings by Miss Frances Edmonde, Southern Melodies by Miss Ruth Roland, Spanish Songs by Miss Viola Yorba, Operatic selections by Agnes Cain-Brown, accompanied by Harry Girard. The next group was an "Act Exquisite—A Dance Fantasia" by George Larkin, Myrna Kennedy and Ollie Kirby and included a Specialty Waltz, Jazz Specialty, Argentine Tango, Whirlwind Fox Trot and Beggar Gypsy Maid. Jazz syncopation was furnished by Al Rattray, Jim Simpson and Langley Meredith for the various numbers on the program and also played music for dancing later in the evening.

C. OF C. SECRETARY POINTS PROGRESS IN HIS REPORT TRIO OF TALENTED ARTISTS ENJOYED BY MUSIC CLUB

James M. Rhoades Tells of
1921 Accomplishments and
Gives 1922 Program
Program of Unusual Merit
Presented Last Night at
High School Auditorium

Reporting "A Year of Progress" and co-incidentally calling the annual meeting to be held Tuesday evening, January 10, at which time a working program for 1922 will be built, James M. Rhoades, secretary of the Glendale Chamber of Commerce, today issued his annual report.

It is a record of achievement challenging the readers of the neatly printed booklet to answer the question: "If Glendale had no Chamber of Commerce, how would such things as are described herein be accomplished?" In summary form forty-two reasons are offered for supporting the organization and succinctly they are as follows:

- 1—Secured an independent post office for Glendale.
- 2—Assisted in school bond elections.
- 3—Secured a sewer system.
- 4—Secured a number of good industries.
- 5—Carried the bond election for swimming pool.
- 6—Built a better community spirit.
- 7—Assisted in securing a first class auto camping grounds.
- 8—Postered annexation Sycamore canyon to city.
- 9—Conducted a clean-up campaign.
- 10—Advertised Glendale all over the United States.
- 11—Held a successful merchants' exposition.
- 12—Aided in Boy Scout organization.
- 13—Assisted in street improvements.
- 14—Entered float in Pasadena Tournament of Roses.
- 15—Instrumental in securing Citizens' building.
- 16—Organized Merchants' Credit Association.
- 17—Secured auto buses extension from Pacific Electric.
- 18—Assisted in Elks' reunion, Los Angeles, entering a float.
- 19—Secured flagman at Southern Pacific crossing, Brand boulevard.
- 20—Postered near east relief campaign.

Grandview School Is to Face Northeast

The new Grandview grammar school is to face northeast, following a recent official decision. A recent conference was held attended by Architect George M. Lindsey, David Black of the school board, Richardson D. White, superintendent of schools, E. H. Learned, E. H. Bottsford and Mrs. Myrtle Buckman of the Grandview Improvement association.

The new school site is bounded by Fourth street on one side and extensions of Fifth street, Rubert and Justin streets.

On account of the line, the committee was reluctant to have the school face the west; it could not face the south because of the slope of the land and if it were faced to the northwest it would not get proper sunlight. Therefore, it will face the northeast and the extension of Fifth street.

Mrs. C. A. Bunting Is Hostess to Club

Mrs. C. A. Bunting of 1325 North Brand boulevard was hostess yesterday afternoon to the members of the Royal Neighbors Social club. The afternoon was spent in needlework, after which refreshments were served. Those present included Miss Mary Renshaw, Mrs. W. Miller, Mrs. H. R. Lempman, Mrs. Laura Jones, Mrs. Maude Young, Mrs. John Paul, Mrs. Maude Rucker, Mrs. Rushworth, Mrs. Coons, Mrs. Dickerson, Mrs. Virginia Freeman, Mrs. Maude Clinton, Mrs. Jessie Loucks, Mrs. Carroll Hare, Mrs. Effie Coker and daughters Ruth and Ruby, Mrs. Henry Molz and Mrs. Bunting.

Mrs. W. F. Macpherson Hostess in New Home

The members of the Auctioneers club were delightfully entertained yesterday afternoon at the beautiful new home of Mrs. W. F. Macpherson on Patterson avenue. Decorations were carried out in violets and marigolds. The guests present included Mrs. Lester Jones, Mrs. Thilard of Los Angeles, Mrs. F. J. Rogers, Mrs. P. J. Meddick, Mrs. Herbert Balthis, Mrs. Egbert Beckley and Mrs. Heloise Boudaux. High score was made by Mrs. Herbert Balthis, who was awarded a beautiful linen towel. At the close of the afternoon elaborate refreshments were served.

GIRL PAINFULLY BURNED

Her skirt having caught on fire while she was standing near a gas heater about 11 o'clock this morning, Marjorie Barnett, age 12, of Los Angeles, who was visiting at 411 North Louise street, was rushed in the Pulliam & Kiefer ambulance to the Glendale Research Hospital to be treated for painful but not fatal burns.

Over 250 members of the Glendale Music club availed themselves of the opportunity of hearing three of the most talented musical artists who have appeared on programs since the founding of that organization, Miss Gertrude Cleophas, pianist, and Miss Ruth Hutchinson, soprano, and Charles T. Perry, composer-pianist, who last night presented a program of unusual merit at the high school auditorium.

Mrs. Mattison B. Jones, president of the club, made several preliminary announcements and introduced the artists. The club is planning to give a program on January 20 in honor of the Junior auxiliary. February 1, she stated, would be the beginning of the new term and a program is also being planned for that.

A surprise is in store for the members on the third Friday in February, which will mark the celebration of the first anniversary of the organization, according to Mrs. Jones. She also called attention to the federation drive for phonograph records to be used in the schools of the rural district. Contributions of records from Glendale people are to be left at the Glendale Music company.

Becoming Music Center
With the steadily increasing population of Glendale, which includes many musical artists of marked ability, Glendale is becoming more and more known as a musical center. The first artist to appear on last night's program was Miss Gertrude Cleophas, concert pianist. Miss Cleophas received her artistic training from Fannie Bloomfield Zeisler, pianist, and the late Theodore Leschetizky, famous pedagogue, and has concertized in Europe and America and also appeared with the Minneapolis symphony.

The musical clarity with which Miss Cleophas interpreted every one of the difficult numbers of her program was particularly gratifying to

Men's Club of Tropico Church Gives Program

The men's club of the Tropico Presbyterian church held its first regular meeting last night with a large attendance in spite of the rain.

Mr. Allen of the Los Angeles city council delivered the principal address of the evening on the subject of "Trails." The main thought was that service to others gives the greatest satisfaction in life and that we should make the trails we travel easier for those who come after us.

Mr. Munro of Burbank sang several baritone solos accompanied on the piano by Mr. Moore, principal of the Burbank school, who also gave a short talk. Rev. Gage of Orange county spoke briefly.

Mrs. Spencer Robinson to Entertain Juniors

The next meeting of the Junior Auxiliary of the Glendale Music club, of which Miss Veda Knapp is president, will be held at the home of Mrs. Spencer Robinson, 1234 East Windsor Road, next Saturday, January 14. The meetings have been changed to the second and fourth Saturdays of each month. A miscellaneous program is being arranged for that time. The members of the auxiliary will have full charge of the program to be given at the Glendale Music club January 20, to which members and friends have been invited.

BOY NEAR ELECTROCUTION

Francis Hilton, a school boy residing at 605 West Lexington drive was nearly electrocuted shortly after 1 o'clock this afternoon when he grabbed onto one of the Edison power lines hanging low over the Los Angeles river bed west of Glendale. Companions went to the Jesup ranch and notified the Glendale police who sent an ambulance to the scene and the burned boy was rushed to the Glendale Sanitarium and Hospital. It is believed he will recover.

C. L. MARLENEES HOSTS

Dr. and Mrs. Charles L. Marlenee of 301 South Central avenue entertained as dinner guests last night Miss Ruth Hutchinson, lyric soprano, who appeared later in the evening before the Glendale Music club, and Dr. J. Anderson of Glendale.

SHOOTING STILL MYSTERY

Mrs. Margaret Biggs, 1508 South Brand boulevard, is wondering who took the trouble to shoot a bullet from a .22 automatic through one of her windows last night. Upon discovering this morning she reported to the police.

CHANGE OF RESIDENCE

Mr. and Mrs. J. A. Balthasar have moved from 118 South Kenwood street to 102 West Doran street.

Today's World News In Brief

(By International News Service to Glendale Evening News)

EMMA GOLDMAN AND 'CREW' WANT TO GET BACK TO U. S.
STOCKHOLM, Jan. 7.—"The United States is the only country, after all," said Emma Goldman, notorious woman anarchist, today. Miss Goldman has arrived here from Reval, accompanied by Alexander Berkman and Alexander Shapiro. All had been deported from America for their anarchist activities. Miss Goldman said that all of them wished to get back to America and would attempt to do so at the first opportunity.

MRS. LOUISE PEETE LOSES CASE IN FEDERAL COURT

SAN FRANCISCO, Jan. 7.—A petition sought in federal court here to have the conviction of Mrs. Louise Peete, convicted of the slaying of Jacob C. Denton, Los Angeles mining man, set aside because of the alleged unconstitutionality of the California law providing for a thirteenth juror, was denied by Judge M. T. Dooling today when he sustained a demurrer to the petition interposed by the state.

PLOT TO WRECK PACKING PLANT BEING INVESTIGATED

KANSAS CITY, Kans., Jan. 7.—An alleged plot to dynamite the Morris & Company packing plant here was being investigated by police today. Ten men, captured in a raid by a riot squad, were being held in jail. Andrew Oreska and Tony Waselvickh, both of Chicago, were the ringleaders of the band, Chief of Police Zimmer declared, and were brought here to take charge of operations. Plans had been made to dynamite the plant Monday night, the chief stated. Search of the quarters occupied by the men revealed an alarm clock and timing mechanism in a trunk.

FIVE GREAT POWERS PUT BAN ON POISON GAS IN WAR

WASHINGTON, Jan. 7.—Poison gas was banned today by the five great powers of the world as an inhuman and indefensible weapon of warfare. The resolution, fathered by Elihu Root, condemning the use of gas in warfare and pledging the powers here not to utilize it, was passed with the full approbation of all the powers in today's secret session in the Pan-American building. The signatory powers not only bound themselves to abolish the use of gas but they also agreed "to invite all other civilized nations to adhere thereto" to the end that the ban may ultimately be incorporated into international law.

RESIGNATION OF DE VALERA IS RULED 'OUT OF ORDER'

DUBLIN, Jan. 7.—The Dail Eireann has ratified the treaty. DUBLIN, Jan. 7.—Dail Eireann today ruled that the resignation of Eamonn DeValera as president of the Irish republic was out of order. It had been tendered during the meeting of Dail Friday afternoon after the members had failed to reach a compromise on the Irish peace treaty. When Dail met this afternoon it was with the intention of bringing the long fight over ratification of the treaty to a definite close. It was planned to take a vote tonight, some time before midnight. Joseph McGrath, chief "whip" for Arthur Griffith, admitted this afternoon that he expected the treaty to be rejected by at least two votes. Supporters of DeValera believed that the position of the treaty opponents had been strengthened by the "president's" sensational resignation speech, but they admitted that rejection of the treaty was not absolutely certain owing to the vacillations of four or five members. Friends of DeValera said that he would immediately retire from office if the treaty were ratified but would stand for re-election later in the year.

TIEUP OF CHICAGO BUILDING IS AGAIN THREATENED

CHICAGO, Jan. 7.—A new tieup of building activities in Chicago is threatened today as the result of the decision of the Chicago building trades council to reject the so-called Landis wage awards. The unions have served notice that they will call off all their men from every job where non-union men are employed. Unions that fail to join in this walkout will be suspended from the council. The Landis wage awards were handed down by Judge K. M. Landis after his appointment as arbitrator of a dispute in the building trades that had paralyzed building activity here for months. The awards involved reductions in wages in many of the crafts. Opposition to the awards sprang up immediately among the unions. A citizens' committee was formed to enforce the awards. Unions charge the committee is in effect an organization to fight for establishment of the open shop. The committee has declared that non-union men will be obtained for all jobs where the union men refused to work under the Landis awards. The bricklayers and the electrical workers were the only unions affiliated with the council that did not vote in favor of rejecting the awards. The vote fixed next Tuesday morning as the date of the walkout. If the strike occurs it will tie up building activities estimated at \$100,000,000 and add thousands of men to the ranks of the unemployed.

HENRY FORD HAS MORE COIN THAN ANY OTHER PERSON

BY ALLAN L. BENSON
Copyright, 1922, by International News Service

DETROIT, Mich., Jan. 7.—Henry Ford begins the new year with the greatest amount of cash in the bank that any human being ever had. A few years ago, Russell Sage, with ten or fifteen millions in ready cash, used to have this distinction. Two days ago, the General Motors company announced that it had in the bank \$41,000,000. Henry Ford's bank balance today is in excess of \$121,000,000. He himself does not know within \$5,000,000 or \$10,000,000 of how much actual cash he has at the moment because he has not taken the trouble to inquire of his son Edsel, the treasurer, since the foregoing figures were given to him a few weeks ago. "Our balance today," said Mr. Ford, "is probably between \$135,000,000 and \$145,000,000." Henry Ford is a billionaire. In reply to a question, he told me today that he had no doubt that his holdings, based upon their earnings, could be capitalized and sold for a billion dollars. Mr. Ford gave me this information because I asked him for it. Neither his mind nor his conversation runs to money. I am sure money means less to him than to any other rich man whom I ever knew. "My property," he continued, "consists of about \$100,000,000 worth of buildings, \$100,000,000 worth of machinery and something more than \$100,000,000 in cash. As a going concern I have no doubt that these assets could be capitalized and sold for a billion dollars. But this \$121,000,000, or whatever it is that we have in the bank, means nothing to me except a tool with which to work."

GLENDALE REFUSES TO TAKE SECOND PRIZE FOR FLOAT

Number of Reasons Set Forth
for Decision in Letter Sent
From C. of C.

After due consideration the Tournament of Roses float committee of the Glendale Chamber of Commerce has refused to accept the "second prize" award by the Pasadena judges and the following self-explanatory letter which yesterday was addressed to the executive committee of the Tournament of Roses tells the tale:

"As representatives of the Glendale Chamber of Commerce who are responsible for Glendale entering a float in the Tournament of Roses held in Pasadena on the second day of January this year, and in response to what we consider a demand from the members of this Chamber, we feel that it is necessary for us to obtain from your executive body some information as to how the floats in the Tournament parade were judged, how and why the gentlemen who were given this important, honorary position came to their decision and decided Glendale had the second best float when on every hand along the line of march, comparing the applause that every float received, the expression displayed by the people who viewed the parade, by the men who entered the other floats, Glendale in our opinion and, as far as we have been able to determine after very thorough investigation and consideration, was given first place by the people but second by the judges.

Guarantee Is Given

"We invite your attention to the fact that it was with considerable effort that we obtained permission to enter this float. Glendale had won two years in succession. The people of Glendale were willing to rest on their laurels, entering a small float at a small cost and let someone else enjoy the privilege of winning. We were, however, positively assured by some members or committee of your association that Glendale would be given the prize every year continually if they won it according to the rules of the Tournament of Roses and on the points on which all floats are

Pacific Avenue Pupils Present Fine Program

The court of the Pacific avenue school was crowded yesterday afternoon with parents and children to view the program which had originally been intended for the Christmas season and which was given by the children of the school. Much praise goes to the teachers who so patiently coached the girls and boys who took the parts of the characters portrayed in Kate Douglas Wiggin's "Bird's Christmas Carol" and to those in the playlet by the younger children, "Christmas Secrets."

The work of the children in the "Bird's Christmas Carol" won the hearty applause of all present. There were Christmas songs by all of the grades between the acts of the two plays and during the sketch "Christmas Secrets" the older children sang "Holy Night" behind the scene. Little Edna Paul gave a recitation after which the count was taken of the number of mothers present of children in the various rooms. It was found that there were twenty-five mothers of children in Mrs. Stone's room present. At the conclusion of the program Mrs. Rosenberg, president, announced the Parent-Teacher association meeting to be held January 19.

Drama Section Meets In B. L. Cline Home

The members of the drama section of the Tuesday Afternoon club met yesterday afternoon at the home of Mrs. B. L. Cline, 134 North Orange street, with Mrs. Cline and Mrs. C. J. Newcomb as hostesses.

At the business meeting the members decided to give a vote of thanks to all who had helped to make the program "Dolls," which was presented at Christmas time before the club, a success. This was followed by a review of "Deburau" (Sacha Guitry), which was one of last season's greatest successes on Broadway, by the curator, Mrs. R. E. Chase. At the close of the afternoon refreshments of sandwiches, cakes and coffee were served.

FOR LOCAL ARCHITECTS

Local architects who are interested in the high school building program should communicate with George U. Moyse, principal of the high school, at once, announces Dr. Harry V. Brown, president of the Glendale High School board of trustees. He stated that the board was very anxious to make arrangements to interview all worthy applicants in order that none might feel slighted.

TRIO OF TALENTED ARTISTS ENJOYED BY MUSIC CLUB

Program of Unusual Merit
Presented Last Night at
High School Auditorium

(Continued from Page 1)
The hearers. She has unusual strength of hand and her touch is accurate. Her first number on the program was Beethoven's "Sonata Op. 26, Andante con Variazioni, Scherzo, Marcia funebre, Allegro." Mrs. Jones then introduced Miss Hutchinson and Charles T. Ferry, both residents of Los Angeles. Miss Hutchinson has a remarkably clear lyric soprano voice of very sweet quality and has a very pleasing stage presence. He voice was well under control at all times and displayed ease and smoothness.

Mr. Ferry is a composer-pianist of note and is also an accomplished organist. As an accompanist to Miss Hutchinson he was also splendid. Their first group included "Tis a Madness" (Aria, Figaro (Mozart)), "Come, My Beloved" (Handel), "A Spring Morning" (Carey). A very charming encore number entitled "Rain" completed this group of delightful songs.

Remainder of Program

The remainder of the program was as follows: Three Etudes "F Minor, F Major, C Flat Major" (Chopin), "Ballade, C Minor" (Chopin), by Miss Gertrude Cleophas. "Nuit d'Étoiles" (Debussy), "Berceuse" (Chopin), "Norwegian Echo Song" (Tirane), "La Girometta" (Sibelius) and an encore number "Dainty Damselle" (Novello), by Miss Hutchinson and Mr. Ferry. "Magic Fire Scene (from the Valkure)" by Wagner-Brassin, "Etude de Concert" (MacDowell) and an encore number "List Rhapsodie No. 6," by Miss Cleophas. "At Night" (Rachmaninoff), "June" (Downing), "Crimson nor Yellow Roses" (Ferry) and "At the Well" (Hageman). "Crimson nor Yellow Roses" is a composition of Mr. Ferry's and was so well received that it called for a repetition, and as an encore number Miss Hutchinson sang another of his compositions, "Tis June," which closed a most enjoyable evening of musical entertainment.

The piano used was through the courtesy of the Loomis-Shuck Music company.

Live Cole Class Will Give Program on Tuesday Night

After a postponement of several weeks' duration the members of the Live Cole class of the First Christian church Sunday school have announced that their all-star entertainment and concert, which was originally called off on account of alterations on the church building, will take place on next Tuesday night, January 10, at 8 o'clock. The affair will be staged in the main auditorium of the church building on Colorado and Louise streets and, as the general public is invited, it is expected that a large crowd will attend.

The program, which has been arranged by and is in charge of Mrs. Frederick Farnham of this city, will include a number of selections from well-known local and Los Angeles artists. Henry Cantor, popular Los Angeles soloist; Mrs. Fern Eileen Carlock, former nationally known whistler; Miss Vilah Ernestine Withrow, former Chautauqua soloist of Los Angeles, are a few of the individual stars who have been secured by Mrs. Farnham for the entertainment.

In addition to the foregoing numbers, Mrs. Farnham will present "Little Bo-Peep," a novel, descriptive pantomime, featuring Misses Dorothy Forbes, Doris Forbes, Nellie Jepson and Elva Bowen. These talented young ladies will also appear on the program in individual selections. The program will be completed by a number of musical numbers from the famous Weishaupt String Orchestra of Los Angeles.

Paige and Dort Cars Have Agent Now in This City

The well-known Paige and Dort cars will be represented in Glendale and vicinity hereafter by the Sunset Motor company, which has established a store at 308 East Colorado street with E. E. Sawyer as manager. This concern also distributes these lines in Hollywood and the Santa Monica Bay district, giving it a vast territory.

Mr. Sawyer will have Eagle Rock, Burbank and the San Fernando valley in addition to Glendale as his field and he expects to make a large number of sales this spring. Demonstrators are at the show rooms at 308 East Colorado street.

Broadway Girls Win in Athletic Contest

Juvenile Amazons of the grammar school system clashed yesterday afternoon when Broadway with 62 points defeated Doran on its home field with 51 points. There was considerable enthusiasm in the first feminine track meet of the season. The relay was won by Doran.

The fifth and sixth grade senior division, which was composed of girls over 4 feet seven inches in height, has the following stars:

Fifty-yard dash—Helen Lindgren, Broadway; Virginia Verdugo, Doran; Blythe Ringquist, Doran; Hazel Woodhouse, Broadway.

Potato race—Norma Haskell, Doran; Blythe Ringquist, Doran; Hazel Woodhouse, Broadway.

Fungo hit—Hazel Woodhouse, Broadway; Norma Haskell, Doran; Virginia Verdugo, Doran.

Volley serve—Jennie Leitch, Broadway; Dorothy Putnam, Doran; Esther Wintersgill, Doran.

The junior division of the fifth and sixth grades revealed the following athletes:

Forty-yard dash—Eleanor Mineff, Broadway; Norma Faulkner, Broadway; Dorothy Olson, Doran.

Potato race—Marjorie Mishler, Broadway; Anne Wilkinson, Broadway; Dorothy Clarke, Doran; Ruth Mercer, Doran.

Fungo hit—Norma Faulkner, Broadway; Jane Criswell, Doran; Mildred Angier, Doran.

Volley serve—Orissa Edmonds, Broadway; Ruth Olson, Doran; Mildred Cox, Doran.

Forty-yard dash—Rose Parker, Broadway; Catherine Stewart, Broadway; Edith Wintersgill, Doran.

Fungo hit—Rose Parker, Broadway; Edith Wintersgill, Doran; Ruth Olson, Doran.

Gladys and Frances Pittman won the fifty-yard dash for Broadway in the special class.

MAIL CARRIERS ORGANIZE

Temporary organization of the National Association of Letter Carriers was effected here Thursday evening at the K. of P. hall at Park avenue and Brand boulevard. Mr. Davis of Los Angeles, national organizer, was present and outlined the benefits, while President Tisler of Local No. 24 of Los Angeles was present with Mr. Riley. W. W. Hunt was elected president of the temporary organization, H. H. Frazer, vice president, and O. W. Wright, corresponding secretary.

BUNS AND DOUGHNUTS

When L. W. Chobe of the Glendale float committee was settling up bills yesterday Henry Walsma of the Fancy Bakery announced his donation of the buns and doughnuts which were served the workers on New Year's eve.

Hawaiian Boys Prefer Clerical Work to Farm

HONOLULU, T. H.—Viewing with alarm the trend of the youth of Hawaii away from agriculture and other productive pursuits and into non-productive clerical work, the American Legion, Department of Hawaii, is inviting a territory-wide movement looking toward the establishment in all schools of industrial, agricultural and manual training.

Statistics for the past few years show that a heavy majority of the boys and girls attending the territorial public schools, particularly those of Hawaiian and Oriental blood, are taking up so-called commercial courses, fitting them only for clerical work.

The actual weight of the human brain or the size of the head is no sign of special intelligence.

\$8 a Case—But They Didn't Get the Case

MARTINS FERRY, Ohio—It's un- alarm to mention "Colonel Taylor" to a coterie of local men.

The Colonel and his pocket flask arrived on a car from Wheeling.

Samples from the flask proved the Colonel had pre-Volsteadian liquor. He "agreed" to let a few of his newly-made acquaintances in on a deal, if they would pay the revenue.

All they had to do was put up \$8 a case to pay Uncle Sam. The remainder was payable on delivery.

The local victims are awaiting delivery, some with the knowledge that their five cases never will come.

Mexican sombreros of the best quality are so costly that it would take a year's wages of a workman to buy one.

Detroit and New York Are In Health Survey

DETROIT — Detroit has been chosen with New York for a health investigation lasting perhaps twenty-five years, the National Research Council has notified the Detroit Board of Health.

Particular attention will be directed towards determining the influence of the air with its varying temperature, humidity and movement upon the health of many classes of people.

The council was instituted during the war at the behest of President Wilson.

RATS BECOME NUMEROUS

DEFIANCE, O.—Business men report that rats have become a greater pest here than at any time for several years. Druggists stated they made record sales of rodent poison during the last few weeks.

Mrs. Kathryn Farrell of 435 West Patterson avenue entertained as her guest over the Christmas and New Year's holidays Miss Hazel Flynn of Azusa. Mrs. Farrell is expecting the arrival next month of her son, Lieut. J. G. Farrell, who for the past year has been executive officer at Pearl Harbor, Honolulu, with the aviation corps.

Two bandits in a red Bearcat Stutz held up E. Dixon of 318 Mira Loma avenue while he was fixing a tire upon his Oldsmobile Eight on East Broadway and Wilson avenue and removed \$91 from him. The highwayman who leveled the gun at Mr. Dixon was described by him as being about five feet eight inches in height, wearing a dark suit and cap.

Mrs. John Wakefield West of 1333 Valley View road is driving a new Maxwell sedan, the first of its kind in Glendale. In celebration of the event a group of friends enjoyed a dinner and theatre party in Los Angeles Wednesday, including Mr. and Mrs. West, Mr. and Mrs. R. D. Angelica, Mr. and Mrs. John Farnet, Charles Talbot, and Mr. and Mrs. Ed Wolbach.

Mr. and Mrs. Perce Curtis of 1331 North Maryland avenue have had as their house guest during the past week Wilfred Osgood, state entomologist with headquarters at the University of New Hampshire. A dinner was given in his honor Tuesday night, the other guests being Mr. and Mrs. Arthur Cleveland and son and daughter of Glendale, former neighbors of Mr. and Mrs. Curtis and Mrs. Osgood when they resided in Boston.

Mrs. W. R. Frampton of 215 Arden avenue was luncheon hostess yesterday afternoon in honor of Mrs. Harvey Wheeler of Kansas City, her cousin, who is visiting here this winter. The guests included Mrs. Wheeler, Mrs. Harry Hubbard, Mrs. Charles Ranger, Mrs. Jack Haskell and Mrs. J. D. Cass of Los Angeles, Mrs. P. H. Ducker of Eagle Rock and Mrs. W. H. Boothby of Glendale. Decorations were carried out in the Christmas greens. After luncheon cards were enjoyed.

COMMENT THAT'S ALL

What 1922 Holds Forth
Orange Show Economics
Mission Play to Attend
Forfeited Right to Live

By Gil A. Cowan

REVIEW of the record made during 1921 by the re-organized Chamber of Commerce gives Secretary James M. Rhodes ample opportunity in his annual report to say several things with which all should agree.

For instance, he says, "a more friendly feeling exists in Glendale today because of the efforts of Glendaleans who not only 'belong to,' but actively 'participate in' the activities of the Glendale Chamber of Commerce. It has been said that this is one of the many achievements of the organization. It is of vital importance to the progress and the growth of the entire community."

"Glendale is growing rapidly—more rapidly than many of us probably appreciate or realize—and is destined to be one of the first cities of the Southland at an early date."

"Glendale, in this period of steady growth, will have need more and more for the facilities which its people can readily provide in an active Chamber of Commerce, supported both morally and financially, according to the needs of the community."

One cannot think of the first-class independent postoffice without associating the Chamber of Commerce and The Glendale Evening News with this long fight for freedom from Los Angeles. One cannot go through the new headquarters building and see six different meetings going on at the same time without appreciating the organization which made it possible. And these two are only about one-twentieth of the accomplishments during 1921.

True, but true—1922 will be what you as members of the Chamber of Commerce make it!

Ten thousand dollars in prizes and awards will be distributed at the Twelfth National Orange show to be held in San Bernardino, February 17 to 27, according to advance announcement. Special attention is being paid this year to by-products. That, for instance, gives the Synde Candied Orange Fruit company of Glendale an opportunity to compete. It is stated that this notable feature of the Orange Show is maintained for the purpose of encouraging the development of uses for cull and surplus fruit. Therein lies the real profit of industry. It is not what one makes, but what is saved in doing a certain work more economically.

Another Southern California mid-winter institution which merits attention at this time is the Mission Play, the pageant drama presenting the sublime story of the founding of the white man's Christianity and civilization on the western shores of America.

Thomas R. Marshall, former vice president of the United States and considered one of the keenest attendants of the capital theatricals, interests everyone when he says, "I count the day I spent at the Mission Play as one of the happiest days of my life."

You need not expect to find pomp or self in this presentation—only the leaves of history turned back two centuries and brought to life by an excellent cast under the personal direction of John Steven McGroarty who lives right near here in the "green Verdugo Hills."

For the first time in months has the unexpected happened.

An officer actually got the opportunity to shoot an auto bandit in Los Angeles. Although merely a boy, the thug by now likely faces his final judge and nevermore will he crowd the courts.

When he stepped out into the highway armed with a deadly weapon in his quest for loot George Crowe forfeited his right to live!

Locals and Personals

Mrs. Jennie Wachter of 612 North Central avenue and Mrs. Robinson motored to Los Angeles Wednesday and enjoyed luncheon at one of the new cafes.

Dr. and Mrs. J. Belyea of Toledo, Ohio, who are making their home at 309 West Pioneer Drive, were dinner guests of Otis Goodman and his sister, Stella Goodman, on New Year's day.

The holiday season was saddened for Mr. Bradley of 318 Pioneer Drive by the news of the death of his brother, Frank Bradley of Los Angeles, who passed away very suddenly of heart trouble on New Year's eve. Mr. Bradley was 44 years of age and left a widow and one son. He was interested in a market in Los Angeles.

Mrs. M. Jennings, whose invalid son is one of the ex-service men at Thornycroft, has leased a new bungalow home at the corner of Walnut and Cypress avenue, and will make her home here for an indefinite period. Her son, who was in a very precarious condition when he arrived here, is now beginning to walk around a very little. Mrs. Jennings secured her home through the agency of Mrs. Stella Goodman.

Sale of Kenneth Heights Lot Continued

Campbell and McMillan, sales agents for the second unit of Kenneth Heights are continuing the sale of these desirable lots after a several weeks' postponement on account of the recent heavy rains.

Deaths and Funerals

MRS. CALISTA ANDREWS

Mrs. Calista Andrews passed away at her home, 329 North Orange street, January 7, 1922, at the age of 73 years. She had been a resident of Glendale for three years, making her home with her only daughter, Mrs. H. B. Howeth. Mrs. Andrews was a native of New York. She was a member of the Pomona Women's Relief Corps. Funeral services will be held at the parlors of E. J. Patterson in Pomona Monday afternoon at 2:30 o'clock. Jewel City Undertaking company in charge.

MRS. OLIVE MAY PRESTON

Funeral services for Mrs. Olive May Preston, mother of Rev. Harley G. Preston of the Pacific Avenue Methodist Episcopal church, Mrs. Ruby Stoner of Eagle Rock and Mrs. Ethel Mackrill of Sac City, Ia., will be held at the parlors of the Jewel City Undertaking company Monday morning at 10:30 o'clock. Rev. W. L. Y. Davis, superintendent of the Pasadena district of the Methodist church, will officiate, assisted by Rev. G. A. Porter, pastor of the Anandale Methodist church. The body will be taken to Sac City, Ia., former home of Mrs. Preston, for interment.

WILLIAM H. MARTIN

William H. Martin, aged 63 years, passed away at his home at 206 North Jackson street, Thursday, January 5, 1922. Mr. Martin was a painter by occupation and had been a resident of Glendale for seven years. He leaves a widow, Mrs. Mary E. Martin. Funeral services will be held Monday afternoon at 2 o'clock at the Little Church of the Flowers, Forest Lawn Memorial Park. Pulliam & Kiefer in charge.

BEAR AND MOOSE THICK

WINNIPEG, Manitoba—Bear and moose are plentiful in Canada this year, according to Commissioner J. G. Rattray, game custodian for the government.

Owing to the severe winter last year there is no open season this year in elk.

Bears are greatly increasing in number; in fact, numerous reports have been received of country children being alarmed at the sight of the bears.

A hen has produced an egg bearing on its shell the resemblance of the face of the clock.

All Day Meeting of Chapter Takes Place

The regular all-day meeting of Chapter BA, P. E. O., was held yesterday at the home of Mrs. Charles Toll, Kenneth Road, with Mrs. Frank Ayars and Mrs. Eva Cunningham as assisting hostesses. It being the first Friday in the month, at the regular business meeting, which was presided over by Mrs. Madeline Kelley, reports of committees and officers were given, the principal one being that of the philanthropic chairman, Mrs. Frank Arnold, who told about the Christmas work. After the business meeting a very delightful luncheon was served in the dining room. At the large table there were seated fifteen members and the other guests were seated at small tables around this, all of which were beautifully appointed. Mrs. Patience Beatty, who for two years was chairman of the educational fund work for the general P. E. O., gave a very interesting talk on that subject. The guests for the day included Mrs. Lockwood of Sierra Madre, Mrs. A. A. Barton of Chapter CJ and Mrs. Patience Beatty of Los Angeles.

Fifteen Close-in Lots Offered to Investors

Due to the final settling of an estate fifteen lots between Brand Blvd. and Central Ave. have been placed on sale by Arthur Campbell, 110 E. Broadway. Mr. Campbell forecasts a quick sale of these lots as being so close to the car line they are particularly suitable for apartments, duplex houses and bungalow courts as well as residence.

Foundations Laid for Illuminated Airway

LONDON—The illuminated airway project between London and the continent, which has been talked of for several years, is now on the road to realization. The foundations of a new aerial lighthouse were recently laid on Titsey Hill, near Woldingham, and work is now proceeding on the erection of a 301-foot steel tower. The lighthouse when completed will be of 65,000 candle power and will be visible thirty-two miles away.

CALIFORNIA HELPS VETS

LOS ANGELES—Three thousand disabled veterans of the World War are now in training under the supervision of the Los Angeles office of the United States Veterans' Bureau, according to a statement by K. J. Scudder, district manager of the bureau for Los Angeles and vicinity.

Chinese Children Are Interested in Parley

SHANGHAI, China—Strange as it may seem, the children who live in the Chinkiang orphanage are keenly interested in the movements of the conference and of the men from the Southern Government who are in Washington.

Eleven dollars, saved from fasting three days, has been donated to the managing editor of the Shun Pao, a local Chinese daily, as a contribution toward the propaganda expenses of Dr. David Z. T. Yui and Dr. Monlin Tsiang during their stay in Washington by these children.

A note accompanied the money which stated that the children were contributing their mite toward the cause of world peace and the establishment of a real democracy for the people in China.

There is no merit in abstaining from what one is not tempted to do.

CLOTHES PURER Than the Milk You Drink

All of us have learned that if we would best safeguard our health, our clothes should be sterilized as well as washed.

It is knowing this fact that makes our laundering methods superior to those of the laundress.

Milk is supposed to be safe for use after it has been pasteurized, or held at a temperature of from 131 to 151 degrees.

After washing clothes as we wash them—in pure water at 180 degrees—and drying them in a current of clean, fresh air at 250 degrees, your things approach nearer to perfect purity than the milk you serve on your table.

To be sure of clothes cleanliness and clothes purity, telephone us. We will have our driver call for your family bundle.

GLENDALE REFUSES TO TAKE SECOND PRIZE FOR FLOAT

Number of Reasons Set Forth
for Decision in Letter Sent
From C. of C.

(Continued from Page 1)

judged. We cannot help but say that from appearances your judges by their decision positively reversed their guarantee.

"It has always been our understanding that these floats are judged by their beauty, the amount and number of flowers used, the originality of design, the picture it appears to be or the story it may tell, by the manner in which it is constructed, the detail with which the thought and idea are carried out and the ability shown in telling the story or visualizing the picture it represents. Certainly anyone will admit the fact that in all points with the exception of two, Glendale had no competition in her exhibit and on the possible two, it is a matter of opinion; these two points on which the other float might have won, might have been first, beauty, of the flowers used in the float, second, cost of same. After these two points are taken into consideration comes the straw that breaks the camel's back. We have always understood, have been told repeatedly and cautioned regarding exhibiting any sign or advertising matter entered on a float in the Pasadena Tournament of Roses. The float awarded first prize this year carried a painted advertising sign, therefore, disqualifying itself and absolutely forfeiting any possible chance to win a prize. Perhaps you can tell us how your judges got over this seemingly unsurmountable objection.

Good Reason for Rumors

"It was rumored that, owing to the fact that Glendale had taken first prize the last two years, that it was a foregone conclusion before the floats were ever presented for inspection that, under no consideration, should Glendale be given the first prize for the third year. It is not our habit to pay much attention to 'street corner' gossip and rumors, but, in the face of what actually took place, we are led to believe that there are good reasons for these rumors. What Glendale gained or lost other years should have no bearing whatever on the verdict rendered on this year's float. If we had the best float in that parade, and the Los Angeles Times says, 'The Glendale float was the largest in the parade and one of the most unique and detailed achievements of floral adaptation,' we are entitled to first place, regardless of what happened in past years.

Will Not Help Tourney

"Do not think for a moment that Glendale has the wrong spirit in this matter. We are attempting to help one of the greatest attractions that Southern California has to be a success, but, if each year serious errors in judgment occur, as we see this one, it will not help to make your annual Tournament of Roses popular.

"We do not envy Portland, we congratulate them and hope that they will return and bring other cities with them because, from our observation, it may be necessary to get exhibits farther away from home in the years to come. We feel that any of the Southern California cities who saw the Glendale float and then see that Glendale did not get the prize, they are most certainly going to say, 'What's the use,' and we cannot help but feel that they are practically expressing the unanimous sentiment of the Southern California cities.

"We have received scores of expressions and letters denouncing the action of the judges in this award, and we believe our contentions and feelings are supported by public sentiment to such a degree as to warrant our decision, which is backed by our entire people, in advising you that in face of all that we have mentioned in this letter, and many other things not mentioned, we respectfully decline to accept the second prize and request that you retain same, as we did not win this prize and do not care for it.

Yours very truly,

(Signed) "GLENDALE CHAMBER OF COMMERCE."

"By V. M. Hollister, President."

Attest: James M. Rhoades, Secretary, for the committee."

Dr. Jessie Russell Head of Civics Body

The civic committee of the Glendale Chamber of Commerce met and organized last night with Dr. Jessie A. Russell as chairman and L. H. Wilson as secretary. The first four questions coming before this body for investigation and recommendation are the sewer, city zoning, lowering of Pacific Electric tracks and providing adequate depot facilities both here and in Los Angeles; and the placing of the swimming pool in Kenilworth park.

Practically every line will be reduced to make room for new spring and summer stock. Bargain hunters undoubtedly will read every line of the announcement.

WANTED HIS SON KILLED

ELYRIA — That her husband, Henry, during the recent World War, frequently expressed the desire that the Germans would kill their oldest son, serving in the United States Army, that her husband was pro-German and that he frequently beat her are claims made in the answer filed by Mrs. Martha Henes, of Amherst, to the divorce proceedings instituted by Henes, marking the end of thirty-four years of married life.

There are four copies of Magna Charta still in existence.

Gloria Swanson at T. D. & L. Theatre In 'Under the Lash'

Gloria Swanson, beautiful and accomplished star of "Under the Lash," her new Paramount picture at the T. D. & L. theatre for the last times today, is ambitious to be a writer. So she jots down her thoughts in prose and verse whenever she has the time. She is an admirer of Robert Louis Stevenson's works.

Sam Wood directed "Under the Lash," which was adapted by J. E. Nash from the play "The Shulamite" by Edward Knoblock and Claude Asken.

The picture is given in conjunction with five well-balanced acts of vaudeville, making up an excellent program.

R. L. Babcock Buys on West Patterson to Build Fine Home

R. L. Babcock of Chicago has purchased a choice lot on West Patterson avenue and plans to build a fine home in the near future. The lot was formerly owned by Mrs. Julia Nicolaus of 357 West Doran street.

A. N. Cline of 336 West Lexington drive has purchased a lot on West California street, on which he plans the immediate erection of a bungalow. This lot was owned by Mrs. Mary Stokes. Both sales were made by Mrs. Stella Goodman.

Mrs. Goodman also reports that through her agency C. W. Fuller of Fresno, has leased a home on West Doran street, where he will reside until he can build a new home for his family. Mr. Fuller sold his ranch near Fresno before coming to Glendale, as he has planned to make this his permanent home.

HUBBY WORTH ONLY \$50

DETROIT — Her husband was worth \$50 to her, Ella Kraft told Judge Webster in Circuit Court. Mrs. Kraft was suing for divorce from Herman C. Kraft. A settlement of \$50 would be satisfactory, she said.

Along Auto Row

Predicts Greater Activity

Greatly increased activity in auto-
motive lines for this year is pre-
dicted by B. L. Graves, district man-
ager of the Ford Motor company, ac-
cording to an encouraging statement
received at the local Ford agency."The year that has closed has been
the greatest in the history of the
Ford Motor company," declared Mr.
Graves. "In spite of the general
hard times, Ford sales have con-
tinued as usual, which indicates to
me that the people demand the serv-
iceable and economical automobiles
because they are a transportation
necessity. Residents of the Los An-
geles branch territory, which com-
prises only Southern California, Ari-
zona, and the west coast of Mexico
have supported this statement by the
purchase of more than 30,000 new
Ford cars, trucks and tractors dur-
ing the past twelve months."

Chevrolet Staff Increased

Increasing activity at the Chev-
rolet agency, 510 East Broadway,
has made the "reception" of two
more members to the staff necessary
according to O. W. Tarr.
Fred Flacks of 245 North Jackson
street is now a salesman for this
auto agency and Howard Harris, 312
West Colorado avenue, Eagle Rock,
is employed in the mechanical de-
partment."Business for the coming year
looks very good," asserted Mr. Tarr.
"We are just as busy as we can be.
There is lots of repair work. I sup-
pose the rain had something to do
with it because there isn't much
driving for a few days. Previous to
the holidays there isn't much driv-
ing. There appears to be more driv-
ing now."

Buick Car Proves Popular

"The Buick is a good buy at any
price for the new prices make it
especially desirable," according to
William A. Tanner of Tanner &
Hall, Ltd., 237 South Brand boule-
vard. "The last year has been partic-
ularly prosperous, which only goes
to prove that the Buick not only has
been popular but is becoming more
so.""Not only this new year is a Buick
year but every year is a Buick year.
The business outlook at this time is
20 per cent better than it was at this
time a year ago. We expect the
price drop will increase sales con-
siderably, due to the fact that the
customer is getting the car for con-
siderably less money, and it has not
been changed in any way."

Ford Aids Local Float

Glendale spirit "pushed" its float
to victory at the Tournament of
Roses figuratively—but a Fordson
tractor actually did the work.Reversing the usual procedure,
the tractor pushed instead of pulled
the float. Over the steep hills be-
tween Glendale and Pasadena, on
moist and slippery asphalt streets,
through the crowded streets of Pas-
adena and finally through the mud at
the park, the rubber-tired Fordson
pushed its heavy load at a constant
speed so smoothly and quietly that
many of the thousands of bystanders
thought the motive power was elec-
tric.

Promises Best of Service

If your auto needs oiling or greas-
ing or washing, the Club Garage,
107 East Colorado avenue, is the
place to take it, according to Jack St.
Clair, new proprietor of this estab-
lishment. Yesterday afternoon he
commented with enthusiasm upon
his new line of lubricating oils, fibre,
cup and differential greases.
"I think we have the finest line of
oils and greases in the town," de-
clared Mr. St. Clair.

Faith in Westinghouse

"I honestly believe the Westing-
house is the best battery in the
world," stated Ray Fallek, of the
Westinghouse Service Station, 233
South Brand boulevard, yesterday.
"It has more plates and, therefore,
more power, longer life and higher
efficiency."

Business Steadily Better

"Business is picking up quite a
bit," declared E. W. Cizek of the
Cizek Auto Electric Service Station,
309 South Brand boulevard, yester-
day. "I don't know the reason, but
the increase is quite noticeable. Last
year at this time things were quiet."New Government at
Peking Backing Up
Chinese Delegation

By HARRY L. ROGERS

Written for International News Service
WASHINGTON, D. C., Jan. 7.—
new government at Peking stands
squarely behind the Chinese delega-
tion here in its policy of making no
further concessions in the negotia-
tions with Japan for the return of
Shantung, it was announced today by
Dr. Alfred Sze, one of the senior
members of the delegation.
Instructions received from the new
Chinese prime minister approve the
work already done by the delegation
and announce that there is to be no
change in foreign policy, Dr. Sze
said. Any effort by Japan to bring
about a settlement of the Shantung
controversy by direct negotiation
with Peking will therefore come to
nothing, it was stated and no oppor-
tunity will be given the Japanese to
avoid the Shantung issue in the
Washington conference when China
brings it up.
Notwithstanding denials by Baron
Kato, head of the Japanese delega-
tion that efforts have been made to
renew negotiations directly be-
tween Tokyo and Peking, members of
the Chinese delegation believe such
efforts are being made. They see in
the Japanese statement the subject
of Shantung was brought up only
casually during a courtesy call by the
Japanese minister upon the new
premier of China, merely another at-
tempt on the part of the Japanese to
camouflage their efforts to avoid
discussion of the Shantung question
in the conference.Meanwhile the Chinese delegates
are bringing all the pressure they can
muster to bear upon SecretaryHughes and Mr. Balfour to use their
good offices in the interest of a set-
tlement. Since it was only because
of the tender of those good offices
that the Chinese agreed to attempt
a settlement of the Shantung prob-
lem outside the conference, the dele-
gates will have no hesitation in de-
manding that they be given the bene-
fit of such mediation.The Chinese are not entirely satis-
fied with the way their suggestions
of mediation thus far have been re-
ceived. Mr. Hughes is extremely
anxious to see the Shantung prob-
lem settled before the conference ad-
journs, but he is loath to proceed too
rapidly in view of the assertion of
the Japanese that they must await
instructions from their home gov-
ernment.Nevertheless the Secretary of State
realizes that several other important
matters affecting China and the full-
est success of the conference are con-
tingent upon a satisfactory solution
of the Shantung problem and he has
no intention of setting the seal of
his approval upon obstructionist tac-
tics on the part of Japan. He is not
forgetting that France agreed to sur-
render Kuang Chouwan only in the
event that similar action was taken
by other powers holding leased areas
in China and that Great Britain made
the return of Weihaiwei contingent
upon the Japanese giving up Shan-
tung.At any rate there must be at least
one more of the so-called "collateral
conversations" between the Japanese
and Chinese delegates before negoti-
ations can be declared off. This
meeting will be for the purpose of
permitting Japan formally to ac-quaint China with the result of the
exchange of communications between
Washington and Tokio. It is then
that announcement is most likely to
be made of the mediation, if Mr.
Hughes and Mr. Balfour decide to ac-
cede to the importunities of the Chi-
nese.Denies Chicago Made
Up of 'Pig Stickers'CHICAGO—Chicago, to many per-
sons, suggests a pig-sticking com-
munity, big, prosperous, yet lacking
in culture and in most ways crude.But—
Hear Dr. Walter Dill Scott, presi-
dent of Northwestern university:"Chicago has unusual educational
facilities. There are six colleges or
universities, nine theological schools,
eight law schools, six medical
schools, and three dental schools."Chicago boasts two universities
listed by the Association of Ameri-
can universities. No other American
city can boast of more than one."Chicago ranks second in the libra-
ries of the country, Washington being
first.
"Chicago is the center of medical
culture and the center of dental in-
struction. Chicago is also an art
center. And, although New York has
led for years in the publications field,
Chicago is gradually supplanting the
eastern city. Even now Chicago is
recognized as the leader in agricul-
tural and trade journals and journals
devoted to higher learning."

Hindenburg Scapegoat,
Asserts J. W. GerardNEW YORK—"Faithful to the old-
time standards of 'all for the kaiser,'
Hindenburg is offering himself as a
heavyweight scapegoat for his old
master," James W. Gerard, former
ambassador to Germany, commented
today upon the sensational letters
that passed between the ex-kaiser
and his field marshal, Von Hinden-
burg. "Nothing can excuse William
from responsibility for the war—it
was the stroke of his pen alone
which made the declaration of war,
after the false statement had been
made that France had invaded Ger-
many."As to the desertion of the kaiser,
it is true that Hindenburg and the
older men at the great general head-
quarters advised him to flee to Hol-
land, Mr. Gerard continued. But it
is also true that the younger men like
Burgas Dohna, commander of the
Moewe, and others advised the kaiser
if he quit and ran to hide himself be-
hind the ample skirts of the queen of
Holland, neither he nor any other
Hohenzollern would ever occupy the
German imperial throne.
Nothing can ever restore the
kaiser to his old place—Germans de-
spise cowardice.

Auto Signs to Be Placed on Mexico's National Highway

For the first time in history, an American motoring organization is going to embark on an international road signing undertaking.

This announcement has just been made by the Automobile Club of Southern California, which is preparing to mark the new Mexican national boulevard leading from the boundary of the United States to the port of Ensenada on the coast of Lower California.

This undertaking, in a way, is the most important of the many already completed by the organization which has marked the transcontinental highways of the nation and provided \$3,000 road signs for the traveling automobile tourists of the United States.

Straight into the heart of what is considered by sportsmen to be the happiest of all quail, duck and deer hunting grounds goes the new highway built by the government of Lower California at a tremendous cost and covering a period of two years in construction.

All signs to be erected by the Auto club for the guidance of international motoring parties will conform to the foreign metric system of mileage, and will be given in Spanish as well as English. Motorists of this continent who choose to travel to Ensenada over the new boulevard will get their first taste of the European metric mileage directions.

The new road is sixty-eight miles in length from the boundary line to the Lower California seaport, and is one of the most scenic routes on the continent of North America, according to automobile club officials who have just completed an inspection and charting trip into Mexico as guests of Governor Ybarra and Superintendent of Roads Miguel Gandara.

Germany's 'Old Guard' Machine Working Well

BERLIN—The closest corporation in all Germany is still the "old guard," comprising the brains, the moving spirits and the press agents of the monarchist movement. However their dreams and futility their hopes, they know their business and can keep a secret.

This stands revealed today as a result of the disclosures of letters that have passed between the ex-kaiser and Field Marshal von Hindenburg, "whitewashing" the former war lord of charges of war responsibility and cowardice.

The propaganda machine of the monarchists works with old time Prussian efficiency and clock-like precision.

The International News Service has penetrated a mystery which has been puzzling the whole fatherland, namely, the background and motives of the remarkable "pro-William" coup. The International News Service correspondent has established that copies of two letters in question have been lying under lock and key in the offices of the "old guard" newspapers since last summer. They were being "held for release" and only the responsible editors knew of their presence. The editors had been pledged on their word of honor to keep the correspondence a secret until Der Tag—or the time was deemed ripe for publication.

The release signal—arranged in advance—was a keyword quietly passed along the line by telephone and telegraph. The signal was given the middle of last week by Heinrich Rippler, editor of "Die Zeit" organ of the German People's party. The understanding was that the bomb was to be sprung on Sunday.

Ford In Buick Is Well Educated As to Southland's Mud

"Mud—a slimy or pasty mixture of earth and water!"

That's what N. Webster has to say about the disintegrated rock with a mixture of organic material—moist.

What "Bob" Ford said about California adobe, saturated with dampness, upon the coast route about twenty miles the other side of Ventura last Monday morning cannot be repeated. In the first place, Mr. Ford is the son of a Baptist minister, Rev. E. E. Ford, Fairview avenue; and in the second place, there were women in the car—Miss Margaret McPherson, 607 North Central avenue; and his wife, Lawrence Stuart, 1007 East Harvard street, also was in the party.

The oozy, slippery, slimy, treacherous quicksand in question detained 275 motorists, many of whom were en route from Berkeley to attend the New Year's game at the Tournament of Roses. The local party, which left Santa Barbara about 10 o'clock in the morning, was the first through, passing four cars sinking up to their hubs in the mire. Reason: Mr. Ford drives a Buick.

Children, who are among the greatest users of public libraries, are borrowing books of biography, natural history, and travel almost as often as they choose fiction.

Road Conditions of South Nearing Normal

Road routes are now approaching normal, according to M. B. Towman, manager of the local branch of the Southern California Auto club, 243 South Brand boulevard.

Owing to a bridge being out over the San Gabriel river near Azusa the entire length of the Foothill boulevard is still impassable, however, and it is necessary to detour through the Montebello oil fields and double back on Garvey road.

The bridge on Long Beach boulevard is still out and will not be ready for traffic for several weeks.

The coast road to San Francisco is now open and being used again and the inland route is very good.

Owing to the condition of the road between San Diego and Imperial Valley, traffic has been advised to go via Beaumont, Banning and Indio.

Wallpaper too bold or bright in pattern is bad for the nerves.

Generosity lies not in paying back an injury, but in pocketing it.

Excellent Advice Is Offered to Motorists

Most of the applications for new automobile licenses at present are coming from residents of "the back country," according to M. B. Towman, manager of the local branch of the Southern California Automobile club, 243 South Brand boulevard. This organization is now prepared to furnish both advice and assistance in the securing of 1922 licenses. Mr. Towman admitted that lots of motorists probably would disregard their best advice and wait until the last minute before coming in with their troubles.

British Sailors Are Smuggling Cigarets

LONDON—The smuggling of tobacco and cigarettes into England by the crews of British warships has reached such proportions in the last few months that the Admiralty has decided to take stringent action to suppress the abuse. An order issued by Commander-in-Chief Sir Charles Madden, in charge of the fleet and naval establishments of the Plymouth command, warns officers and sailors that unless smuggling is stopped the privilege of receiving tobacco on board ships, duty free, will be completely withdrawn.

Generosity lies not in paying back an injury, but in pocketing it.

AMERICAN YOUTHS WORSE

DETROIT—American-born youths in Detroit commit more crimes than those of foreign birth, Paul H. Voorhees, prosecutor, declares.

"Of the 153 cases of boys under twenty-one placed on probation this month 126 were American and twenty-seven were foreigners. This despite the fact that 70 per cent of Detroit's population is composed of persons of foreign birth or parentage," he said.

Generosity lies not in paying back an injury, but in pocketing it.

ment clicking heels and awaiting word from the "all highest" the junker organs got their machinery in motion. Everything moved with the utmost smoothness and secrecy. The rest of the newspapers and even the highest official circles were in the dark.

The International News Service got wind of the plans toward the end of the week but the correspondent did not succeed in getting a glimpse of the letters until Saturday evening.

There was time, however, to cable the documents and get them to the United States in time for the Sunday morning newspapers.

Dear little kiddies, brought into this world with that inborn desire for home comforts, home environment and home protection. To them Home means their world, a place of paradise, purity and peace, where all their complaints, hurts and sorrows are tenderly smoothed and banished by the loving embrace and sweet lullaby of their fond mothers, and where Father's love, Mother's smiles, Sister's embrace and Brother's welcome are looked for and received with pride. Home then means a place that holds and binds family ties, weaving about each heart tender thoughts of love and confidence.

Appreciating fully all of this, fathers and mothers should make it possible for their children to refer and look back to their childhood days as being surrounded with ideal home protection, environments and home thoughts, that does most to create confidence, right thinking and contentment. Providing homes that reflect comfort, cheerfulness and sanitary conveniences, properly arranged for play and pleasures is not only a privilege but a duty, and should be the one big thought and accomplishment foremost in the minds of every family. Simply providing an existing place, a rented house with no feeling of permanency, where new acquaintances and meaningless things are a constant source of confusion, is an injustice.

DREAMING OF HOME

There are dreams we dream in the days of youth,
That are wonderful dreams of joy,
For there comes no dream like the hopes that gleam
Through the heart and mind of a boy.

But the dearest dream of the dreams we dream,
As the tangled paths we roam,
Is the dream that appears in the later years
When we dream our dream of a home.

Is it not then the duty of every parent to rightly train their children, to instill into their minds love for home and all that ideal homes stand for, to make them realize and know that your thoughts and labors are concentrated on efforts that will make of them worth-while men and women? For the boys and girls of today will be either leaders or followers of the future, and it is your teachings and the home life you create for them that will develop worth-while future citizens.

Make your children's future secure—provide for them a Home that will reflect your good intentions and ambition for them and their future.

This Distinctive Little Home Plan

is one of the most popular of the late Italian designs. Simplicity of detail is reflected in its every line. The exterior wall construction is of stucco applied over wood or metal lath, tile, brick or composition plaster boards.

A peek at the interior will show compactness of room arrangements in which are included every conceivable modern labor and time saving convenience.

Surely a home so carefully planned, with both exterior and interior developed to give those who adopt it to build from the best looking and most convenient arrangement for money expended, will be given the consideration it deserves. We will be glad to tell you more about this charming home plan.

Nearly \$900,000 worth of business and industrial building was done last year in Glendale, according to the actual figures of \$897,240 at the city hall. Last month the record showed \$102,600 while last May with \$153,400 was the most active month in this respect. The other busy months for this class of building were March with \$135,490 and October with \$103,250. September with \$28,500 was the smallest month.

Where are the apartment houses in Glendale? Well, the records show that \$190,000 worth of them were constructed during 1921. September was the biggest month with \$35,000 worth of this class of building while none of them are on the books for last January or April. June was a light month with only \$4,000 worth of them started. During December \$28,000 worth of permits were issued.

Glendale is supposed to be exclusively a community of small bungalows yet seventy-three dwellings over eight rooms in size were erected last year, with thirteen in

October and ten in April. Only one each was started during February and June.

Four and five-room bungalows ran each other a close race last year with the larger size finally winning by fifteen permits. Over 447 five-room bungalows were planned and 432 "four-roomers." Last January was the lowest month for both of these sizes.

Only forty-six permits were taken out for one-room "coops" and none at all during the months of March and June. However, a sextette of "one-roomers" arrived during April and January, July and August all saw quintettes.

December and November and August tied last year for "two-roomers" with thirteen each, while April and October each had only one less. The winning month was September with fifteen.

Forty permits were taken out also for seven-room bungalows with ten in October, the biggest month in this respect—as many as the preceding three months put together. None

were issued in January and only one in April.

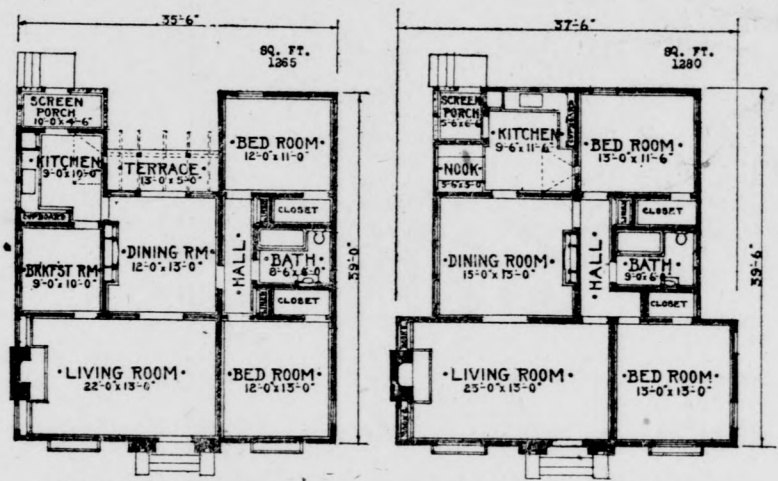

One hundred and sixty-five permits were issued during the year for three-room dwellings with twenty-six in August, the biggest month in this regard. October with eight was the smallest.

Of six-room houses 146 were started last year including seventeen in September and December, fifteen in August and November, fourteen in April and October, and eleven each in May and June.

The exact number of garages erected last year is unknown as additions and barns are included in this classification, also. However, 753 permits were issued. October was the biggest month with 106.

As far as total building is concerned October was the biggest month with a total of \$817,780, while August came next with \$575,545. Last January with \$143,783 was the least active month. Yes, the figures for the entire year remain the same as they were last Saturday noon—\$5,099,201.

CHRISTIAN CHURCH IN ANNUAL MEET HEARS REPORT

Very Prosperous Showing Is Made By Organization During Year 1921

The most prosperous year in the denomination's history was reported recently at the annual business meeting of the Central Christian church.

The event marked the completion of five years in the Glendale pulpit by Rev. Clifford A. Cole. An ornamental cake was presented to Rev. and Mrs. Cole after a fitting ceremony. Upon it five candles represented in their sizes the growth of the past half decade. W. B. Kirk made a short talk of appreciation in behalf of the congregation and Rev. Cole responded expressing his delight in the spirit and fellowship of the church and community.

Last year over \$3000 was given to missions and benevolences and \$15,000 to all purposes, according to the reports submitted. Comment was made upon the fact that the present membership of 500 has more than doubled in the past five years. All departments reported balances in their treasuries and a much larger membership than at the beginning of 1921.

Elected to Office

Recognition was made of the efficient and satisfactory organization of the Sunday school which is now supervised by Floyd Mercer, who has had special training in Bible school work. Those present rejoiced in the realization that the new church house of worship will be especially adapted for Sunday school work.

The following officers were elected for the present year:
Elders, A. B. Heacock, W. B. Kirk, E. Mercer, C. W. Bacon, J. W. Wright, E. W. Lyon, R. P. Jodon, C. L. Kibborn, A. F. Webster and C. A. Cole.
Deacons, F. L. Thompson, H. R. Stevenson, E. H. Learned, W. F. Hedges, Geo. F. Staub, F. B. Mattice, A. A. Smith, J. D. Cole, C. C. Stoler, H. A. Marple, O. L. Zook, J. H. Orth, H. E. Cox, L. Kaster, A. G. Lucas, C. Wykoff, L. C. Leggett, C. R. Walker, S. L. Roland, G. D. Mercer, A. A. Hubbard, H. B. Miller, J. M. Ray and O. W. Rhodes.
Deaconesses, Mrs. E. H. Learned, Mrs. F. L. Thompson, Mrs. F. Mercer, Mrs. Eva Hutton, Mrs. R. P. Jodon and Miss Mary E. Chester.

Reading Circle Holds First Meeting of Year

The Mutual Benefit Reading Circle, of which Mrs. A. A. Barton is president, held its first meeting of the new year at the public library Wednesday. Mrs. John Robert White, president of the Glendale Federation of Parent-Teacher associations, was present and told of a card party which is to be given by that organization and which promises to be something out of the ordinary, date of which will be announced later.

The review was given by Mrs. H. H. Harris on an article entitled "The Case Against Myths, Folk-Lore and Fairy Tales as Basis for Reading for Children." The point brought out in the review was that myths, folk-lore and fairy tales were not the best kind of literature for children of the lower grades.

The reading of the new book "Moral Education" (Griggs), was begun by Mrs. Barton, and promises to be very entertaining. It deals with moral education in the schools, taken in conjunction with other subjects and not as a thing apart.

C. OF C. SECRETARY POINTS PROGRESS IN HIS REPORT

James M. Rhoades Tells of 1921 Accomplishments and Gives 1922 Program

(Continued from Page 1)
21—Harrower Laboratory formally opened by C. of C.
22—Rendered every assistance to Christian Endeavor convention.
23—Visited many cities in Southern California, boosting Glendale.
24—Furnished information to more than 6000 strangers.
25—Compiled manufacturers' directory.
26—Secured widening of South Brand boulevard.
27—Assisted in holding naval base at San Pedro.
28—Assisted in finding housing for hundreds of families.
29—Registered over 1800 voters.
30—Have worked continuously on "buy at home."
31—Assisted in making wash safe with flood control.
32—Joined Chamber of Commerce of United States, sending Glendale manual all over the world.
33—Assisted in fight for agricultural college, San Fernando valley.
34—Sent delegates to League of the Southwest.
35—Induced all map makers in the United States to put Glendale on the maps.
36—Annexed territory between Glendale and Burbank.
37—Increased Chamber of Commerce membership from 500 to 1000.
38—Secured Baldwin shirt factory; they are building a \$50,000 plant.
39—Sent to the inquiring world 5000 booklets.
40—Thru systematic work brought hundreds of new people to city.
41—Answered several thousand inquiries from every state in the Union and several foreign countries. Mailed out thousands of pieces of instructive literature on Glendale.
42—Instrumental in having trains stop on the Southern Pacific.

The foregoing being indicative of the accomplishments of the past year, the recommendations of the secretary are equally interesting. He says:

Glendale's Needs

"In starting on our journey for the year 1922, many problems confront us that will require our most careful consideration and deepest thought. It is hoped that every member will appoint himself a committee of one to make a careful survey and suggest to the Chamber of Commerce from time to time his ideas of what should be done.
"The first impression a stranger receives on entering a city is the most lasting. One of the first views a stranger receives on entering our city is the unsightly roadbed of the Pacific Electric on Brand boulevard. Every effort should be made by our Chamber of Commerce to induce the Pacific Electric to lower its tracks on Brand boulevard and park or pave that portion now covered with weeds and debris. We should, as a people, demand this.
"Our city trustees have inaugurated a move to open all blind streets between San Fernando Road and the eastern line of the city. The Chamber of Commerce should get square behind the city in this move and put it over. It would add much to our city comfort and beauty.
"The most perilous matter before our city is the wash on the north side. What has been can be again. Should this wash become dammed up as it has been in the past, and this stream of muddy water pour down over this city, as it has done in former years when the territory the city

Full Credit Is Given
"I cannot, in closing, refrain from saying a word expressing my gratitude and thanks to our retiring president, C. C. Cooper, for the most splendid co-operation received at his hands as president, also to our splendid board of directors whose inspiring interest and loyalty to their work at all times made my duties a pleasure. The keen vision of these gentlemen in guiding the destiny of this, your organization, their untiring efforts, their personal sacrifices and unselfish motives, as well as the splendid spirit of unselfish co-operation of all our members, has inspired me in my work to the highest degree. I offer to you my deepest gratitude and thanks."

Full credit is given committees, lists of both the retiring and newly appointed aides being published. Two striking paragraphs from this review are as follows:
"A thorough democratic body has been built in the present Chamber of Commerce; neither sectional, sectarian, nor political. Every member has the privilege of expressing his or her wishes or views as to the personnel of the directorate and as to the program of work.
"The Glendale Chamber of Commerce is the community organization to which all the people may belong and in which they may work to make Glendale a bigger, busier and better place to live, make it a city of peace, prosperity and plenty, where contentment and pride predominate."

Financial Statement
The financial statement shows the receipts for the year to be \$17,591.83 and the disbursements \$15,801.30, leaving a balance on hand of \$1,790.53. Amounts due the Chamber for membership dues total \$7,409.75 and the amounts due others as \$945.15. Active members are listed at 931 and reserve members brought this number to more than 1000, but some have not made first payment on their dues. Besides the secretary there is an assistant secretary in charge of membership, a student secretary and two information clerks and stenographers.

Members will appreciate the information contained in the printed report and it is hoped by V. M. Hollister, president of the Chamber, that they will pass it on to other citizens of Glendale who should affiliate with the organization at the earliest possible date.

Musical Numbers
Sunday Night at the Glendale Theatre
Agnes Cain-Brown, soprano, and Paul Carson, organist, will provide the concert at the Glendale Theatre tomorrow, Sunday, night. The soloist is known locally as Mrs. Harry Girard with whom she has starred throughout the country. Columns could be written about this talented resident of Glendale, but to hear her best tells the story of her ability. She will sing "So Tu San," written by Mr. Girard, as the featured number.
Tom Moore in "Beating the Game" will be the photodramatic attraction with Pathe News, a comedy and other attractions completing a very complete evening's entertainment.

Great Desert Scenes
Like Frederick Remington paintings are some of the scenes showing the long wagon train making its arduous way across the desert, the attacks of the Indians on the emigrants, the scenes in the compound formed by the surrounding prairie schooners and some of the types of old scouts, trappers and plainsmen.
It is a historical document with a wonderful story of hardship, privation, fighting, villainy, love, honor and justice, with a plot that is filled with vitality and mystery—an entertainment that thrills and sets the blood surging through your veins.

MILK PRICES ARE REDUCED
STUEBENVILLE—Local milk dealers have followed the lead of Pittsburgh dealers and have cut the price of milk to thirteen cents a quart, a reduction of one cent.

FOR GLENDALE'S BENEFIT

JAMES M. RHOADES
Secretary of the Glendale Chamber of Commerce, who has issued his annual report, telling of the accomplishments of 1921 and the program for 1922.

new stands on was an orchard, the loss would figure up to many thousands of dollars, and set the city back for ten years. The Chamber of Commerce has been trying to solve this question, but it will take the most earnest consideration of all our people. Think this over before it is too late.

Park Improvement
"Many times when a stranger comes into the Chamber of Commerce they ask what inducements Glendale has to offer strangers to locate here, as against other cities. We explain to them all of our advantages and virtues until we come to our city parks—then we are lost, and are compelled to stand and blush with shame. I appeal to you people. Let's get together and have an inviting, admirable and beautiful park. We have one that nature has provided. Let's improve it.
"No public spirited and ambitious people can be happy and point to their city with much pride without an Auditorium. We could obtain large conventions, induce large meetings and gatherings to come to our city if we had a suitable auditorium. Friends, we need it. Let's get together and build one.
"There are many other things we need, but we need the above now. Let's get these and the others will follow."

Financial Statement
The financial statement shows the receipts for the year to be \$17,591.83 and the disbursements \$15,801.30, leaving a balance on hand of \$1,790.53. Amounts due the Chamber for membership dues total \$7,409.75 and the amounts due others as \$945.15. Active members are listed at 931 and reserve members brought this number to more than 1000, but some have not made first payment on their dues. Besides the secretary there is an assistant secretary in charge of membership, a student secretary and two information clerks and stenographers.

Members will appreciate the information contained in the printed report and it is hoped by V. M. Hollister, president of the Chamber, that they will pass it on to other citizens of Glendale who should affiliate with the organization at the earliest possible date.

Musical Numbers
Sunday Night at the Glendale Theatre
Agnes Cain-Brown, soprano, and Paul Carson, organist, will provide the concert at the Glendale Theatre tomorrow, Sunday, night. The soloist is known locally as Mrs. Harry Girard with whom she has starred throughout the country. Columns could be written about this talented resident of Glendale, but to hear her best tells the story of her ability. She will sing "So Tu San," written by Mr. Girard, as the featured number.
Tom Moore in "Beating the Game" will be the photodramatic attraction with Pathe News, a comedy and other attractions completing a very complete evening's entertainment.

MILK PRICES ARE REDUCED
STUEBENVILLE—Local milk dealers have followed the lead of Pittsburgh dealers and have cut the price of milk to thirteen cents a quart, a reduction of one cent.

JAMES F. M'BRYDE NEW COMMANDER LOCAL LEGION

Glendale Post Has Election of Officers; Banquet to Be Held January 21

(Continued from Page 1)
of the names of Richardson D. White and O. C. Emery.

Executive Committee
The five members chosen to act on the executive committee were C. B. Guthrie, Robert C. Plume, Emil Kiefer, M. Frug and W. B. Kelly. The other candidates for the committee were Frank C. Weller, O. C. Emery, C. Hoge and W. J. Raymond. By request the names of Dr. Nicoles, James W. Everington and Dr. H. V. Brown were withdrawn from the ballot.

By a unanimous choice J. Carlton Padelford was chosen as organizer and C. Lewis was selected as soloist. The newly elected officers will be sworn into their positions at next week's regular meeting, which will take place on Friday night. The retiring officers are as follows:

Commander, Emil Kiefer; first vice commander, Gerald Delgado; second vice commander, Gordon Clayton; adjutant, James F. M'Bryde; treasurer, Jesse Flower; sergeant-at-arms, Dr. Nicoles.

Following the election Col. James W. Everington, who is a member of the local post, was formally introduced as "the new chief of police of the city of Los Angeles." Colonel Everington responded with a talk, after having been accorded an enthusiastic ovation which lasted several minutes.

The evening of Saturday, January 21 was selected by the members of the date at which the first annual "get-together" banquet of the post will take place. The affair, which is to be in the nature of banquet and social entertainment, will be staged in the new Citizens' Building on South Brand boulevard. The function is to be attended by Legionnaires and their personally invited friends.

The committee in charge of the project is composed of Dr. G. Kaemmerling, C. B. Guthrie, Dr. Smith, Dr. Nicoles and J. C. Wittmeyer.

Night School Courses
Prior to last night's election, A. L. Ferguson, vice principal of the local high school, made a brief talk to the members of the Legion, telling them of the numerous advantages to be derived from the local night school courses. He announced that all of the courses are free and are open to any residents of the school jurisdiction. Courses were announced in the following studies: Business English, arithmetic, typewriting, elementary and advanced Spanish, bookkeeping, penmanship and several forms of mechanical and domestic arts.

REAL NOVELTY ACT HEADS GLENDALE BILL TONIGHT

Vaudeville Program Is Sure to Please; Eugene O'Brien in Thrilling Picture

"The Conversing Cockatoo," a real novelty act, presented by Ed Baisden and Company, headlines the Glendale Theatre's fine acts of Bert Levey vaudeville today. Billy Moore, colored comedian, always makes a hit, while the Fords do more comedy singing and talking. Runyan and Trent are billed as the boys who put the "u" in fun and the fun in "u." Walters and Walters (not seen here before) are versatile entertainers.

"The Last Door," Eugene O'Brien's latest Seiznick picture, to be seen today, is a rapid-fire photoplay of romance and thrills that will appeal to all classes. It is entirely different from anything the star has previously been seen in and gives him the opportunity to do some of the best acting of his career.

Godfatherly Criminal
Eugene O'Brien plays the role of the "Magnet," a gentlemanly criminal who enters into his escapades only because of an irresistible desire for adventure. He loves the thrill of outwitting the detectives who are always on his trail but unable to catch him. At a fashionable affair he passes himself off as a wealthy explorer who has recently returned from South Africa. In reality he is after a priceless jewel which he knows is in the possession of the host and his exploits in that direction leads him through many exciting adventures.

GENERALLY YOUR GENERATOR GENERATES WHEN IT DOESN'T
The generator is installed to charge the battery.

It should be so adjusted that it will keep the battery fully charged under normal conditions, without over charging it.
If the car is used for long trips with few starts the generator should be set for a lower rate than if the car makes short trips and frequent starts. This is because more starts take much more current from the battery.

If the ammeter on the dash board fails to work at any time it is showing you that the generator is not working and should be attended to at once.

The Westinghouse Battery Service at 233-5 South Brand Blvd. will cheerfully advise you.
